

## 2010 SWYC HANDICAP FLEET

*The Southwestern Handicap Fleet was organized to promote sailboat racing at the family level for members only. Among the objectives was to encourage the development of sailing skills among family members as well as the social activities that are part of the sport. The racing season is from January to November, with December set aside for end of year social events and award ceremonies. Some of the races include overnight raft-ups and picnics ashore at Mission Bay and Glorietta Bay. The intent is to promote a love for the sport of sailing in general, and racing in particular among family members.*

Fleet Captain	Will Sparks
Assistant Fleet Captain	Jim Kissinger
